

Table 13 GO item and number of plant biological clock

GO item of plant biological clock	GO Number
Regulation of circadian rhythm	GO0042752
Positive regulation of circadian rhythm	GO0042753
Entrainment of circadian clock by photoperiod	GO0043153
Entrainment of circadian clock	GO0009649
Positive regulation of circadian rhythm	GO0042753
Circadian rhythm	GO0007623
Circadian regulation of gene expression	GO0032922
Circadian regulation of calcium ion oscillation	GO0010617
